Sutrisno Sutrisno, Dwi Prasetyo Hadi, Bagus Yuniarto Wibowo, Prayitno:

We have reached a decision regarding your submission to Technopreneurship and Educational Development Review (TENDER), "ANALYSIS OF THE ROLE OF EDUCATION IN DRIVING TECHNOLOGICAL INNOVATION IN THE BUSINESS WORLD".

Our decision is: Revisions Required

1. Clarity and Precision: Ensure clarity and precision in expressing the significance of technological innovation and the role of education in fostering it.
2. Citation Consistency: Verify consistency in citation styles throughout the text.
3. Enhanced Transition: Strengthen the transition between discussing the importance of education in innovation and the global implications of this phenomenon.
4. Conciseness: Condense redundant phrases and sentences to improve readability without compromising the depth of the argument.
5. Tone: Maintain a formal and scholarly tone suitable for academic writing.
