Christie : I don’t know. Do you want to get together or something?

Sarah : How about going to see a movie? Cinemax 26 on Carson Boulevard is showing *Enchanted*.

Laurie : That sounds like a good idea. Maybe we should go out to eat beforehand.

Sarah : It is fine with me. Where do you want to meet?

Christie : Let’s meet at Summer Pizza House. I have not gone there for a long time.

Laurie : Good idea again. I heard they just came up with a new pizza. It should be good because Summer Pizza House always has the best pizza in town.

- Sarah** : When should we meet?
- Christie** : Well, the movie is shown at 2:00PM, 4:00PM, 6:00PM and 8:00PM.
- Laurie** : Why don't we go to the 2:00PM show? We can meet at Summer Pizza House at noon. That will give us plenty of time to enjoy our pizza.
- Sarah** : My cousin Karen is in town. Can I bring her along? I hate to leave her home alone.
- Christie** : Karen is in town? Yes, bring her along. Laurie, you remember Karen? We met her at Sara's high school graduation party two years ago.
- Laurie** : I do not quite remember her. What does she look like?
- Sarah** : She has blond hair, she is kind of slender, and she is about your height.
- Laurie** : She wears eyeglasses, right?
- Sarah** : Yes, and she was playing the piano off and on during the party.
- Laurie** : I remember her now. Yes, do bring her along Sara. She is such a nice person, and funny too.
- Sarah** : She will be happy to meet both of you again.

- Christie** : What is she doing these days?
- Sarah** : She graduated last June, and she will start her teaching career next week when the new school term begins.
- Laurie** : What grade is she going to teach?
- Sarah** : She will teach kindergarten. She loves working with kids, and she always has such a good rapport with them.
- Christie** : Kindergarten? She must be a very patient person. I always think kindergarten is the most difficult class to teach. Most of the kids have never been to school, and they have never been away from mommy for long.
- Sarah** : I think Karen will do fine. She knows how to handle young children.
- Laurie** : I think the first few weeks will be tough. However, once the routine is set, it should not be too difficult to teach kindergarten.
- Christie** : You are right. The kids might even look forward to going to school since they have so many friends to play with.
- Sarah** : There are so many new things for them to do at school too. They do a lot of crafts in kindergarten. I am always amazed by the things kindergarten teachers do.

Laurie : Yes, I have seen my niece come home with so many neat stuff.

Christie : Maybe we can ask Karen to show us some of the things that we can do for this Halloween.

Laurie : Maybe we can stop by the craft store after the movie. What do you think, Sara?

Sarah : I will talk to her. I think she will like that. It will help her with school projects when Halloween comes.

Christie : Michael's is a good store for crafts. It always carries a variety of things, and you can find almost anything there.

Laurie : There is a Michaels store not far away from Cinemax 26. I believe it is just around the corner, on Pioneer Avenue. We can even walk over there.

Sarah : we plan to meet for pizza at noon, go to the movies at two, and shop at Michael's afterward. Right?
