3 pesan

---

**Pegem Eğitim ve Öğretim Dergisi** <editor@pegegog.net>  
Kepada: Achmad Buchori <achmadbuchori@upgris.ac.id>

18 November 2022 pukul 15.57

Dear Achmad Buchori (Author):

We have reached a decision regarding your submission to Pegem Journal of Education and Instruction, "Virtual reality-based virtual lab product development in developing students' spatial abilities using the van hiele theory approach".

Our decision is: **Revisions Required**

-----  
Reviewer B:

Reviewer's note:

1. The abstract has not been clearly described, including research objectives, methods, results, and conclusions
2. Several sentences are repeated in the abstract
3. The novelty of the research has not been described in the introductory section
4. The method section needs to be specified according to the activities or stages of the research being carried out
5. Explanations of figures, graphs, and tables need to be mentioned in the article
6. Some pictures and tables do not match the descriptions described in the article
7. The conclusion section needs to be added with suggestions and limitations of the research
8. References have not used the APA model
9. In general, this article does not follow the PEGAGOG template

Recommendation: Revisions Required
