Dear ~~Cristin~~ Violinda:

We have reached a decision regarding your submission to Journal of Higher Education Theory and Practice with [title](#), "College Students' Perception of Electronic Learning During Covid-19 Pandemic in Indonesia: A Cross-Sectional Study".

Our decision is: Resubmit

1. Need for Emphasis on Research Novelty: It is essential to highlight the novelty and uniqueness of your study more explicitly.
2. Insufficient Methodological References: The methodology section of your manuscript lacks adequate references, particularly concerning the mediation analysis. Please include references that explain how to conduct mediation analysis, which method to use, and cite relevant sources.
3. Incomplete analysis statistic Properties of Used Scales: When using scales in your research, it is imperative to report not only their reliability but also other relevant psychometric properties, and don't forget to cite appropriate references to support their use.
