Dear : Sutrisno

Manuscript ID JRSSEM-17 entitled "Explore Publication Interests for Lecturers with Emotional Empowerment Collaboratives" which you submitted to Journal Research of Social Science, Economics, and Management. I appreciate your patience with the review process.

The reviewers noted strengths in the manuscript, particularly its methods and execution; however, the reviewers also expressed concerns about it. The reviewers were helpful in detailing ways to think about these issues and adjust the manuscript accordingly, so I encourage you to examine their comments carefully as you revise. It is likely I will send your revised manuscript to one of these initial reviewers. As with any manuscript, I cannot guarantee that these efforts will translate to acceptance in Journal Research of Social Science, Economics, and Management.
